

Dear Prospective Guest:

Please read this information before completing and returning the cabin reservation form.

**General Information:**

Cherry Creek Cabins is located in a very remote part of Arizona, 4 miles north of Young, AZ. (Young is approximately 50 miles Southeast of Payson.) The exact mileage from Hwy 202 and Gilbert Road in North Mesa to the cabin is 120 miles. Please allow approximately 2 and 1/2 hours travel time. The road to Young includes approximately 13 miles of unpaved road-Forest Service Road 512. Although Forest Road 512 is an unpaved road, it is the main thoroughfare to and from Young, AZ. It measures 25-30 feet wide and is graded regularly. At times sections can be somewhat bumpy. Please be prepared to slow down and enjoy the wildlife and scenery. Please allow approximately 30 minutes once you begin travel on FR512 until you reach the cabin.

**Amenities:**

Inside the cabin (built in 2006) you will find uncompromised luxury. A fully functional kitchen (no food) with all appliances including: stove, microwave, refrigerator, dishwasher, dinnerware, glasses, table service and a full 10' long breakfast bar. The bathroom is fully furnished including a hair dryer. (Please bring your personal items such as razor, toothbrush, etc.) The bedroom has a queen size Log Pole bed with a memory foam style mattress for your comfort. There are rustic night stands with touch lamps and access to a large walk in closet. The living room includes a real cinder block fireplace with a rustic log mantle. The futon in the living room will fold out to sleep 2 more people. A window seat (the favorite among children) will also convert to a single bed and can accommodate 1 adult or two small children. Satellite TV is available as well as a DVD/VCR combo player.

**RV Hookups:**

For those with relatives or friends that prefer to stay in an RV, there are full hookups on the South side of the cabin. Included are 110V/220V+water+septic hookups. For an extra fee, others in your party can hook up their RV and enjoy! Please note that access to RV hookups is only available with an accompanying cabin rental. The maximum stay for an RV is 3 weeks.

**Things to do:**

Enjoy hiking and exploring among 7 acres or continue further West to National Forest Service Land. Fishing is available 8 miles away at Haigler Creek or 20 miles away at Woods Canyon Lake. Drive into town and enjoy a down home meal at The Antlers-coming soon.. Church services are available at various locations throughout the town. During certain times of the year, horseback riding may be available-inquire locally. Hunting is a favorite sport in the area and there are many guides ready to help you plan the adventure.

The creek contains large rocks/small boulders that can damage the undercarriage of a vehicle low to the ground. Pickup trucks, SUVs and other high profile vehicles should have no problem, but please drive slowly over the creek bed. Low profile vehicles can park off to the side of Haught Crossing-on the West side of Cherry Creek. It is approximately a 1/4 mile walk from the creek bed to the cabin. *(Please make sure your vehicle is out of the roadway.)* Should you decide to park on the West side of Cherry Creek and walk across the creek, **your feet may get wet!** Keep in mind that after a heavy rain and during run off periods, the creek may be active. **A second pair of shoes and socks are recommended....just in case!**
- **Be sure to bring sufficient food and other provisions as well as clothing and other personal belongings.**
- **No smoking** inside the cabin or on the grounds. **Smoking is restricted to the front porch only.** Please use the provided ashtrays. Smoking beyond the front porch poses a fire hazard. The deputy fire chief lives across the main road and will, without hesitation, order a citation.
- No pets are permitted on the premises at any time.
- No campfires are permitted. You are welcome to use the fireplace but fires are not allowed in any other location.
